.....

About the program

This program aims to assist patients to lift their mood through targeting maladaptive thought processes, unhelpful behaviours and replacing these with more helpful strategies. Using the model of CBT, patients are taught how to assertively address symptoms of depression in their everyday lives, through targeted skills development and a homework program.

.....

When is it held?

One day a week over six weeks as detailed below.
Morning tea and lunch is provided.

8:30am – 9:00am Registration and sign in
9:00am – 2:30pm Group program
